For the 5th year, the Friends of the Park Assoc of Knox, Indiana will be sponsoring the Knox Harvest Festival, August 27-29, 2010. Last year was the 3rd year we had a large carnival at the festival, making it even better then before. Once again, the parade was the talk of the festival with over 50 entries. The streets around the historic Starke County Courthouse were full of music and vendors from around the Midwest. We had so many that we had to make more room!!

We need your help for the success of our community's festival. **We are looking for a limited amount of corporate donation/sponsors.** For a \$500.00 donation/sponsorship, your business can help support the Knox Harvest Festival. **All funds from corporate donations/sponsors are used to pay for the festival entertainment.** This year, we will have the band, **Eight Days A Week, a Beatles Tribute Band.** Your business will have your banner placed on the entertainment stage for all to see during the festival, a large ad in the Harvest Festival Paper (which gives complete information on festival activities), advertising on the Friends website (www.knoxfriendsofthepark.org), as well as all festival related advertising. Also included is advertising for the Knox Cruise Nite and Miss and Little Miss Harvest Festival. We will also be advertising on Oldies 94.3, WKVI, The Market, The Leader and The Newshawk as well as newspapers surrounding Starke County.

We started making preparations for this year's festival during last year's festival. We will have great bands, the best parade in the county down Main St., a car show, a baseball tournament, a hot dog eating contest and pet parade. We will also be holding our 4th Annual Miss and Little Miss Harvest Festival Pageant.

The Friends of the Park Assoc. is a non-profit organization that was established to do special projects and to help raise the level of community awareness of the parks in the City of Knox. With your help, you can help make the Harvest Festival a bigger success and help the youth of Starke County through the Friends of the Park Assoc.
